Principles

The following principles underpin student grievance, complaint and appeal resolution processes against academic decisions:

i) Availability

This policy is freely available to all students and staff.

It is made available through several mechanisms, which include, but are not limited to:

- publication on to Casey College of Beauty Therapy Pty Ltd public website;
- provision to students before they enter into a Confirmation of Enrolment (COE) agreement or pay any financial amount for their registered course enrolment, whichever happens first;
- provision to students at orientation and/or within 5 working days after the student starts attending a College course in which he or she is enrolled, whichever happens first; and
- reference in the orientation procedures for permanent and casual academic and administrative to Casey College of Beauty Therapy Pty Ltd staff.

ii) Timeliness

It is to Casey College of Beauty Therapy Pty Ltd intention that any dispute will be resolved without undue delay. Deadlines prescribed in this policy and procedure should normally always be followed, unless exceptional circumstances prevail. If the deadline is to be exceeded by staff, the student must always be informed of the length of and reason for the delay. If the deadline is to be exceeded by the student, the student must ensure the staff member is always informed of the length of and reason for the delay.

iii) Confidentiality

Student grievances, complaints and appeals will be treated confidentially at all stages of the process. Access to information about a grievance, complaint or appeal shall be strictly limited to those staff that "have a need to know" in order to deal with the grievance, complaint or appeal.

iv) Without disadvantage

The fact that a complaint has been made under this policy will not disadvantage the complainant and/or

VSL4.1: Student grievance policy & procedure- Academic Grievance

respondent in any way, especially by way of victimisation or discrimination. That said, the fact that a student has had to complain may of itself cause disadvantage, for example, delay in finalising an enrolment for a module. However, a student should be able to complain under these procedures and feel confident that they will not be disadvantaged or discriminated against in any other way.

v) **Procedural fairness**

Grievances, complaints and appeals will be handled in accord with Casey College of Beauty Therapy Pty Ltd Principles of Procedural Fairness, which can be accessed from the policy page on the Casey College of Beauty Therapy Pty Ltd website.

vi) **Continuation of Casey College of Beauty Therapy Pty Ltd and module enrolment**

Whether a student's College enrolment will be maintained throughout a student's participation in an internal or external appeals process depends on the type of appeal.

Students internal and external grievances, complaints and appeals process

A student's enrolment will be maintained throughout the student's participation in the internal and external grievance, complaint and appeals process for all types of grievances, complaints or appeals, until the matter has been decided.

vii) **Continuation of learning opportunities**

While Casey College of Beauty Therapy Pty Ltd will maintain a student's enrolment, as described above, to Casey College of Beauty Therapy Pty Ltd reserves the right to decide whether or not to continue to offer learning opportunities to the student throughout the internal or external grievances, complaints and appeals process on a case by case basis (for example, decide, case by case, whether or not the student will be permitted to continue to attend classes, be excluded from attending classes but permitted to continue to undertake and complete class work outside of the classroom environment, etc).

Casey College of Beauty Therapy Pty Ltd recognises that decisions to deny learning opportunities to a student throughout the formal grievance, complaint and appeals process may disadvantage the student in their subsequent studies should the appeals process find in the student's favour, and will normally only undertake such action if determined necessary to maintain the College's duty of care to its students, staff and other stakeholders of the College.

viii) **Record-keeping and access to records**

- A staff member in receipt of documentation in stage 2, 3 or 4 of the academic grievance, complaint or appeal procedure, including emails, letters and supporting materials, is responsible for prompt forwarding of the documentation, in an organised, clear and confidential manner, to the Student Services Manager.
- Records of grievances, complaints and appeals and their outcomes will be kept strictly confidential and filed in a separate file, with a unique folio identifier and stored in the Student Services Managers office for a period of at least five years.
- The complainant and/or respondent will have a right of supervised access to all documents held by the College concerning his or her grievance, complaint or appeal.
- The Student Services Manager shall maintain a Register of Formal Grievance, Complaint and Appeal Cases that records the unique folio number of the case, the date the case was first lodged by the student, the policy and procedure/s under which the case was considered, the procedural stages at which the case was considered, and the date the matter was resolved. Senior staff of the College and staff of Commonwealth and State Government agencies, who may not necessarily have had direct involvement in the formal grievance, complaint and appeal case/s, may access this register if required to do so in their normal work undertakings.

ix) **Resolution**

Given the nature of many academic grievances and complaints, most concerns will be normally resolved at the informal stage (stage 1). This form of resolution provides an ideal opportunity for open and direct dialogue between the student and staff member. Additionally, informal resolution normally provides the most time effective mechanism for resolving academic grievances and complaints.

Stages of the Academic Grievances, Complaints and Appeals Resolution Process

i. There are four stages in the processes associated with the resolution of an academic grievance, complaint or appeal with each stage representing an increase in the level of formality with which the grievance, complaint or appeal is managed. The stages of the process are:

Stage 3. Formal Internal Appeal to the CEO

Stage 4. External Appeal normally to a person/body nominated by Casey College of Beauty Therapy Pty Ltd as the External Review or the applicable VET regulatory authority

- ii. When escalating an appeal between and/or within a stage, the student must present evidence that the previous determination was lacking in either judgement and/or due process. If this is impractical, complainants should communicate with the Student Services Manager.
- iii. For each stage of the process, both the complainant and respondent have the right to be represented by a third party.
- iv. For each stage of the process, both the complainant and the respondent have the right to a full explanation in writing for decisions and actions taken as part of the procedures.

Stage 1. Informal discussion/negotiation between student and staff member involved to resolve the grievance or complaint.

Normally within 10 working days of the occurrence of the academic grievance the student should liaise with the staff member concerned and discuss/negotiate their concerns with a view to arriving at a mutually agreeable resolution.

The student is responsible for ensuring in entering this informal discussion/negotiation that they make clear the nature and grounds of the academic grievance or complaint and, where applicable, provide evidence to support any claims.

Following the discussion, the staff member will investigate the grievance or complaint with procedural fairness, and may consult with relevant academic and administrative staff, as well as students of Casey College of Beauty Therapy Pty Ltd as part of these investigations, and may engage in further informal discussion with the student.

The staff member shall normally respond to the student, normally in writing via email, within 10 working days of the student's initial raising of their grievance or complaint. This response will briefly outline the nature and grounds of the student's grievance or complaint and the staff member's decision on the matter. This response will also include a copy of the Student grievance policy & procedure – Academic Grievance

If the student is satisfied with the response at this stage, no further action is required. If the student is dissatisfied with the response, or the decision outcome or the time taken to resolve the matter, he or she should proceed to Stage 2.
